

Notice No: 65

DATE: 17.08.2019

**Cancellation of candidature for not appearing for verification of marksheets
and certificates for provisionally admitted candidates of Undergraduate
Admission 2019**

Candidates who have been provisionally admitted to different undergraduate courses/subjects of this college were called for verification of their testimonials related to their admission to this college on 5th, 6th and 7th August, 2019 in first phase and were recalled on 13th August, 2019 for the same.

It is noteworthy to mention that without verification a provisional admission is not complete and a candidate is enrolled in the College only after he/she qualifies in this process of verification.

Candidates who have failed to attend these two schedules of verification are informed that their candidature stands cancelled on and from the date of the second verification, i.e. 13-08-2019.

A comprehensive list of the candidates whose candidature has been cancelled for not appearing in verification process is published in the college website.
